

# Need Help Finding Housing?

At Chorus Community Health Plans, we recognize many factors impact your health, including housing. Finding stable housing can be tough, but you are not alone. We are here to support you.

## What We Can Help With:

- Housing resources: We can connect you with shelters, affordable housing programs and rental options.
- Application support: We will guide you through the housing application process.
- Follow-up: We will check in with you and help track your progress.

## What You Should Know:

**Requirement for housing program: You must be a Chorus Community Health Plans member.**

- We cannot guarantee immediate housing.
- Approval for housing options depends on availability, eligibility and funding.
- Many programs have waitlists, but we will help you find different options.

## Why Finding Housing is Hard Right Now:

- There is a high demand for housing.
- There is limited funding and long waitlists.
- Some programs help specific groups first.

We are here to help take the next step toward stable housing! For more information, contact our case management line at **(414) 266-3173** or email us at [cchp\\_housing@chorushealthplans.org](mailto:cchp_housing@chorushealthplans.org).
