

Your greatest journey is about to begin.

Healthy Mom, Healthy Baby Overview

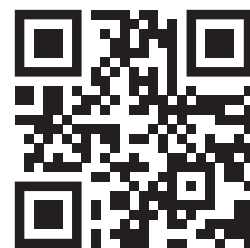

Healthy Mom, Healthy Baby is a free benefit for members that provides support and services needed to have a healthy pregnancy and healthy baby.

Services may include:

- Information and help finding resources in the community
- Assistance with getting necessary health care and support
- Personal support from a dedicated CCHP team that includes Spanish-speaking and breastfeeding support
- Health education materials before and after the baby is born
- Pregnant participants who join the program, complete goals and reach milestones can earn incentives and gifts!
