

Get ready for open enrollment

We'll make it easier with this handy checklist.

Open enrollment starts Nov. 1, 2023.

Get a quote and apply online at chorushealthplans.org.

1

Know the key dates.

- **Nov. 1, 2023 – Jan. 15, 2024, is the open enrollment period** when you can purchase individual and family plans on and off the Marketplace.
- Enroll by Dec. 15, 2023, to have coverage begin Jan. 1, 2024, as long as your premium is paid.

There are times outside open enrollment when you can apply for coverage. Learn more about these Special Enrollment Periods at chorushealthplans.org/SEPs.

2

Review your options.

Chorus Community Health Plans 2024 plans are available on our website at chorushealthplans.org/2024-Plan-Options. Pricing for these plans will be available starting Nov. 1, 2023.

Chorus Community Health Plans offers 14 plans, including Bronze and Silver copay plans with \$0 deductibles, a High Deductible HSA qualified plan, and an off-exchange only Silver Choice plan. The Silver Choice plan can be purchased directly at chorushealthplans.org as you cannot use advanced premium tax credits or cost-share reduction benefits offered through the Marketplace.

3

Prepare your info.

When you apply for or renew your coverage, you'll need to provide some information about you and your household, including:

- The names and Social Security numbers of every household member
- Household income
- Employer information for each person in your household
- How you file your federal income taxes
- Immigrant document information (if applicable)

4

Ask for help.

Chorus Community Health Plans is here to answer your questions. You can speak with a member of our local support team directly at **(844) 708-3837**, Monday – Friday, 8 a.m. – 4:30 p.m. You can also speak to your health insurance agent.

CCHP offers stand-alone dental plans! Learn more about our dental plans and dental provider network by calling us at (844) 708-3837 or visiting chorushealthplans.org.
